## Game Description

In a world where the Cold War rages on between the Axiom Empire and the Republic of Travia, an energy source by the name of Optimite may change the frontlines. Reckless mercenaries have found a way to inject this source of power directly into their bodies to grow superhuman strength, seamlessly climb walls and leave a path of destruction in the wake of their fierce battles. In the midst of these battles, players take a stand against the malicious Adam Corporation as one of three characters – each with a unique style of play.

Fans of the genre know what's in store for them in **GunZ2: The Second Duel**. As the official Sequel to **GunZ: The Duel**, the title that pioneered the Genre of Online Third Person Shooters in 2004, it's bringing back insane "Wall Action" where players fight each other not only with guns, but also with acrobatics. With improved controls, real-time physics effects, a cooperative campaign mode and an all new match-making-system **GunZ2: The Second Duel** is taking Third Person Shooter-battles to an all new level.

**➤ The Legend is back:** 10 years after the phenomenona of that was GunZ: The Duel, insane "Wall Action" is back to turn online battles upside down.

**➤ Death from above:** The environment is your ally! Seamlessly incorporate your surroundings into your movement for off-the-wall moves. Run up walls and strike down hard to destroy your enemies!

**➤ Take on the world:** No matter wWhether you want to jump in and out of a quick match or organize within professional clans, Wwith controls that are easy to pick up but hard to master, and a Matchmaking Service that pits you against players of your own skill, GunZ2 caters to all your gameplay needs.

Team up: Make your friends your into enemies in frantic PvP-Modes or team up to fight the malicious Adam Corporation in a cooperative campaign mode. Find the right strategy to defeat a continuously growing array of powerful bosses.

**➤ Three different character classes with unique gameplay and handling:** Be an impenetrable wall as the Shield Trooper, let a hail of bullets (and grenades!) shower down upon your enemies as the Gunslinger or attack so quickly that your foes won't even know what hit them as the Silent Avenger. This cast of playable characters will continuously be expanded to offer new gameplay challenges to dedicated players.

**➤ Be as unique as deadly:** Power up your arsenal with an intricate enchant system. No items will go to waste as you take them apart and combine scrap parts for new gear. Stack up buffs for the perfect combination that fits your style of play.

**➤ Amazing visuals for every hardware spec:** GunZ2's own RealSpace 3.0 Engine realizes detailed visuals even for low spec machines.
